All Business Leaders, EABA Members and Their Employees

The EABA is committed to providing interesting and informative programs for our members. The Board of Director's has worked very hard to keep our member dues as fair as possible. In fact, EABA has the lowest dues of any other business organization and we offer you more! Your business is listed on www.eabaweb.org as part of your membership. Any seminar fee is set with you in mind. East Allegheny Business Association is about you, for you. **IT IS YOU!**

So...we want you to make sure your 2011-2012 memberships are up to date. We truly do not want to delete any business from the website. You are the only one who can insure that won't happen.
