Ad Specialties of Pittsburgh was formed in 1993 by Tammy gary and her husband George. The business was started in East McKeesport before moving to Monroeville. We first joined EABA to become better acquainted with the area businessmen and businesswomen in the area. We enjoy meeting people and helping their business to succeed. EABA is a wonderful way to get involved with the community.

Tammy serves on the board of The Pink Tie Affair which is a nonprofit organization helping local women dealing with life-threatening illness and financial hardship. Tammy also co-chairs the Ambassador Committee for The Monroeville Area Chamber of Commerce and was named Business Women of the Year in 2009.

Jacqueline Navish, Sales Representative, joined the sales team in 2009!
