Dear Business Owner or Manager:

The **EAST ALLEGHENY BUSINESS ASSOCIATION** provides networking opportunities among businesses in the south-western region of Pennsylvania. Through luncheons, speakers, seminars, collaborative relationships, and an ongoing presence in our communities, we provide opportunities to enhance business exposure.

Building Business Relationships – EABA was formed in 1980, with a current membership of over 60 businesses. Our luncheon meetings are held the first Wednesday of the month at Noon and include local and regional speakers. We provide opportunities to network with fellow businesses, enhance business strategies, and meet local, regional and state leaders and agencies.

Making a Difference - Join EABA and let your voice be heard! Members and speakers familiarize one another with some of the latest local business developments and marketing trends. Your participation will help to make a greater difference in the business community.

Membership Privileges - EABA is very affordable, with annual dues of \$50.00. Membership entitles you to a listing on www.eabaweb.org. Visitors to our site can view your business information. Our site links to other sites, providing more market exposure. Member of the Month highlights your business on our site. Each month from September to July, our luncheon meetings provide the opportunity for you to announce your business and any updates.

Join EABA by filling out and returning the Application below along with your dues. Also, all current members please fill out and return the Application annually in order to confirm your membership listing. Please feel free to copy this application and invite your colleagues to join!

*Thank you!
